FOOD CHECK-OUT
WEEK

Farm Bureau®

Check List!

* The average American spends less than 10% of his disposable income on food, the lowest rate in the world

* It takes just 35 days for the average American to earn enough disposable income to pay for his or her family's food supply for the entire year!

* Compared to other expenses facing American families, food is a bargain.

* America's farmers are the most productive in the world. We are proud of our contribution to society.
